FORT LAUDERDALE EXECUTIVE AIRPORT (FXE)
SOUTHERN REGION RUNWAY SAFETY PROGRAM
Runway Safety Comment Form

Fort Lauderdale Executive Airport (FXE) is seeking input from individuals who operate on the Airport Operations Area (AOA) (i.e., pilots, tug operators, mechanics, air traffic controllers, airport operations personnel, police, fire fighters, etc.) regarding any locations or conditions at FXE that may be confusing or considered hazardous, and may need corrective actions to avoid potential incidents.

Suggestions may include but not limited to:

- Signage, markings and lighting (adding or eliminating)
- Adding, eliminating or straightening a taxiway
- Procedural or rule changes (ATC, tenant or airport operations)
- Improved or enhanced training
- Improved equipment, (i.e., radios, headsets or transponders)
- Areas on the airfield that you think could be improved

Please provide comments and recommendations in the space below (attach additional pages if necessary) and mail to:

Federal Aviation Administration
Southern Region Runway Safety Program Office
Attn: Anna B. Cohen, Manager – AJS-4SO
1701 Columbia Ave.
College Park, GA 30337

Your contact information is optional and will not affect the merit of any suggestions; however, we strongly encourage you to include it should the need arise to contact you for clarification.
